

GLACE BAY CENTRAL

September 4, 2020

Dear Valued Member,

I'm writing to let you know that the Reserve Mines branch will now close permanently on September 30, 2020 rather than the original date of November 15, 2020. This change is happening to accommodate the landlord's request that we vacate the space by the end of September. While this was not our decision, we apologize for any inconvenience.

In addition to transferring member accounts and safety deposit boxes, we also need to remove the ATM. To allow time for removal of the ATM, the last day it will be available is **September 23, 2020**.

I know this news is unexpected. To provide as much advance notice as possible, we are using several channels to notify members including online, in-branch, social media and this letter.

Thank you for being part of Glace Bay Central Credit Union. We value your business and look forward to continuing to serve you.

Sincerely,

Tanya Duffy, General Manger  
Glace Bay Central Credit Union
